NEWSLETTER MARCH 2009

ANNOUNCEMENTS

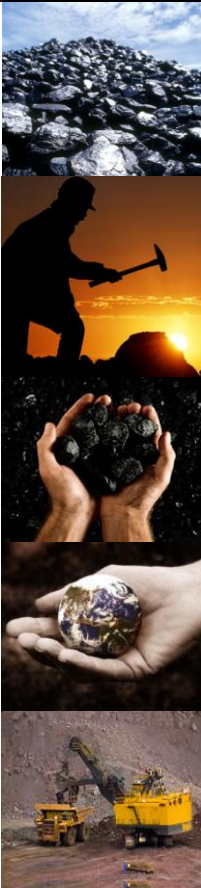

Upcoming WIM Events

For those that will attend PDAC don't forget to join the WIM Network, at the Metro Toronto Convention Centre, South Building on Tuesday, March 3, 2009: Women in Mining Second International Reception.

WIM Seminar hosted by AngloAmerican on Tue 10th of March

Speaker: Samantha Hoe-Richardson

Samantha Hoe-Richardson has recently been appointed Head of Energy Strategy for Anglo American plc, one of the world's leading natural resources and mining companies. She is working with Anglo's businesses to develop and implement a global energy strategy so that they secure energy in a timely, cost-effective and sustainable manner. She is also a Director of the FutureGen Industrial Alliance, which is aiming to design, build and operate the world's first coal-fuelled near-zero emissions power plant. Samantha has previously worked in business development, investment banking and audit and she holds a masters degree in nuclear & electrical engineering from Cambridge University. She is also a Chartered Accountant.
