**Mines and Money 2006**, the 4<sup>th</sup> annual conference, exhibition and awards evening, attracting visitors from around the world, was held at Hilton London Metropole, UK November 20-22. It brought together mining and exploration companies, both large and small, governments, investment experts, investors and the professional service industries that support the mining community globally and was adjudged to be another highly successful event.

The *Mining Journal* Outstanding achievement awards evening was entertained by Sir Ranulph Fiennes Bt OBE and in celebration of the achievements of women in mining this years winner of the **SPECIAL AWARD**, sponsored by VSA Resources, went to Heather White the mine manager of Voisey's Bay.
